Hello Residents and Families,

Welcome September! Fall is around the corner! In July we had to cancelled the Trail of Hope trip due to a heat advisory. In August we were able to go and enjoy the day with a picnic lunch!

National Assisted Living week is September 11-16th and our theme is Creating Moments of Joy! We have some exciting plans.

Sunday September 11th is Grandparents Day We are asking for pictures of our community members for a scrapbook. We are looking forward to lost of fun as we reminisce and guess who the picture is.

The week will continue with Music entertainment on September 13 & 16 along with visit from animals and games!!

Feel free to check the calendar and join the fun!

This past summer we invited the Rochester Honor Flight to visit and give a presentation. It was a great discussion and very informative.

We fly our heroes to Washington, DC to visit and reflect together at their memorials.”

Honor Flight is free to all American veterans. Flights are filled with men and women from the earliest eras first. Those with catastrophic illness from any era receive priority. World War II veterans and Korean War veterans will travel before those of more recent eras. HFR’s tagline is, “We Leave No Veteran Behind.” Further, within each era Veterans typically fly in the order their applications are received.

The flying season is April to October. There are hundreds of local veterans currently, on our fly lists. Applications are now being accepted from all eras. Veterans from World War II and the Korean War have a quick turn-around because their lists are smaller. **The sooner Veterans apply, the sooner they fly.**

We have two Veteran’s flying on

Mission #73 September 10-11, 2022. On September 11, 2022 at 2:30pm we are having a Welcome Home Social when they return. Your welcome to join us.

We are excited to be partnering with Alzheimer's Association, Rochester & Finger Lakes Chapter. Their missions is to build a support system with people and their loved one with Dementia or Alzheimer's. We are looking forward to having an information seminar to help our resident better understand dementia and the changes they may be experiencing. If you are interested participating in a Virtual Caregivers Support Groups, visit alz.org/CRF for more information.
